**VI International Scientific and Practical Internet Conference
«MARKETING STRATEGIES, ENTREPRENEURSHIP AND TRADE: CURRENT
STATE, DEVELOPMENT TRENDS»**

*April 10, 2025
Kyiv, Ukraine*

Dear colleagues,

We invite you to participate in the proceedings of the V International Scientific and Practical Internet Conference "Marketing Strategies, Entrepreneurship, and Trade: Current State, Development Trends," scheduled for April 18, 2024. The conference will take place at the Department of Commodity Science and Commercial Activities in Construction of the Construction and Technological Faculty at Kyiv National University of Construction and Architecture.

Conference objectives:

- Exchange of experience.
- Implementation of research results in the practical activities of enterprises and institutions continuing to operate during the state of war.
- Consolidation of efforts between science and practice to determine the paths of post-war development in innovative entrepreneurship and the construction industry in Ukraine.

Zgalat-Lozynska Liubov – Doctor of Economics, Professor, Associate Professor of the Department of Economic Theory, Accounting, and Taxation (KNUCA, Kyiv).

ORGANIZATIONAL COMMITTEE

Chair of the Organizational Committee:

Yudicheva Olha – Cand. of tech. s., Associate professor, Professor of the Department of Commodity Science and Commercial Activities in Construction (KNUCA, Kyiv).

Responsible Secretary of the Organizational Committee:

Khlaponina Svitlana – Teaching Assistant of the Department of Commodity Science and Commercial Activities in Construction (KNUCA, Kyiv);

Members of the Organizational Committee:

Samoilenko Antonina – Cand. of tech. s., Associate professor, Professor of the Department of Commodity Science and Commercial Activities in Construction (KNUCA, Kyiv);

Alaverdian Liudmyla – Cand. of econ. s., Associate professor, Associate professor of the Department of Commodity Science and Commercial Activities in Construction (KNUCA, Kyiv);

Datsenko Borys – Cand. of tech. s., Associate professor, Associate professor of the Department of Commodity Science and Commercial Activities in Construction (KNUCA, Kyiv);

Lazarenko Vladyslav – Cand. of econ. s., Associate professor, Associate professor of the Department of Commodity Science and Commercial Activities in Construction (KNUCA, Kyiv);

Maksiutenko Iryna – Cand. of econ. s., Associate professor, Associate professor of the Department of Commodity Science and Commercial Activities in Construction (KNUCA, Kyiv);

Ogorodnik Iryna – Cand. of tech. s., Associate professor, Associate professor of the Department of Commodity Science and Commercial Activities in Construction (KNUCA, Kyiv);

Romanenko Olesia – Cand. of econ. s., Associate professor, Associate professor of the Department of Commodity Science and Commercial Activities in Construction (KNUCA, Kyiv);

Sheremet Maksym – CEO of «Epicentr K 7» (Kyiv);

Kunytsky M. – director of «Epicentr K 7» (Kyiv);

Palamarchuk Oleksandr – commercial director of «Epicentr» (Kyiv region);

CONFERENCE THEMATIC AREAS

Section 1. Challenges and Prospects of Economic Development and Entrepreneurship in Ukraine.

Section 2. Marketing and Management in Entrepreneurship: Challenges, Opportunities, and Innovations.

Section 3. Accounting, Analysis, and Auditing of Entrepreneurial Companies.

Section 4. State and Development Trends of Trade and Logistics.

Section 5. Quality and Safety Management of Goods and Services.

Section 6. Developing Marketing Strategies in the Context of Digital Transformation.

Section 7. Modern Construction Materials and Products on the Ukrainian Market.

Section 8. Cultivating Professional Competencies among Higher Education Graduates in «Business, Administration, and Law» in the Modern Era.

CONFERENCE PARTICIPATION CONDITIONS AND ABSTRACT SUBMISSION

Publication of abstracts in electronic format in .pdf is **free of charge**.

Participation Format: Remote

Conference Working Languages: Ukrainian, English.

To publish abstracts in the conference materials, please submit the following **by April 1, 2025**, in a single email to the organizing committee at conf.tkd.bud@gmail.com :

- ✓ Participation application;
- ✓ Abstracts of the report, formatted according to the requirements.

Electronic file variants should be named with the surname of the first author of the work: Bondarenko_Abstracts.doc, Bondarenko_Application.doc.

Authors will be notified of the receipt of materials within 2 working days. If you do not receive a confirmation message, please resend your abstracts.

Undergraduate and graduate students submit abstracts only in collaboration with a scientific supervisor or under their guidance.

Authors are responsible for the content of the materials provided for printing and compliance with copyright laws. The organizing committee reserves the right to return abstracts for revision if they do not correspond to the conference theme or specified formatting requirements, or if they contain academic plagiarism (text originality should be at least 60%).

REQUIREMENTS FOR PREPARING ABSTRACTS FOR REPORTS

Materials should be prepared in Microsoft Word editor (*.doc format). A4 sheet format. Margins: (left, right, bottom, top) - 2 cm, font - Times New Roman, size - 14 pt, spacing - 1.0 pt, normal style, paragraph - 1.25 cm. Do not include page numbers.

The volume of the abstracts should not exceed 4 full pages, including figures and tables (figures should be grouped), without compressing the text or word wrapping. The abstracts

should have **the following structural elements that are not highlighted in the text:** *introduction, presentation of the main material, conclusions.*

The list of used sources is provided at the end of the text and is formatted according to the current standard of bibliographic description DSTU 8302:2015, and for abstracts in English - according to the international bibliographic standards APA (<http://www.bibme.org/citation-guide/APA/book>). References to the literature used in the text are given in square brackets: source number and, separated by a comma, pages [1, p. 25].

All graphic materials (diagrams, graphs, schemes, photos, drawings) should have the same caption "Fig.," numbered with Arabic numerals. The title of the figure is printed in capital letters in bold and placed under the figure in the middle of the line, for example, "**Fig. 1. Equipment Scheme.**" A blank line separates the figure from the text; all figures in the text must have references (Fig. 1). Tables are labeled with the word "Table," numbered with Arabic numerals. Tables are separated from the text of the abstracts by a blank line. *Example:*

Table 1

ADVANTAGES AND DISADVANTAGES OF EXISTING PRICING STRATEGIES

Pricing Strategy	Advantages	Disadvantages

All tables in the text should have references (Table 1)

Structure of Abstracts:

1. UDC (left-aligned). Determining the UDC is advisable on the website: <https://udcsummary.info/php/index.php?lang=uk>
2. Title of the abstract - in uppercase letters, bold font, center-aligned.
3. Author's name(-es) (semi-bold font, right-aligned), academic degree, position, academic title - right-aligned.
4. Institution, city - in italics, right-aligned.

Formatting templates for abstracts are provided below.
