## Invitation

Dear Sir/Madam,

On March 18, 2025, the Turkmen State Architecture and Construction Institute is holding the **IV Open International Internet Olympiad in the discipline of "Strength of Materials"** among students of higher educational institutions of the country and foreign countries and invites students of your university to take an active part in the Olympiad. This Olympiad will contribute to the development of friendly relations between students and teachers of higher educational institutions of different countries of the world and mutually beneficial exchange of experience in the scientific and educational system.

An International online Olympiad will have video communication organized, and the tasks of the Olympiad will be posted on the institute's website in special section [https://tdbgi.edu.tm/En-project/index\\_en.html](https://tdbgi.edu.tm/En-project/index_en.html) at on the day of the Olympiad.

The official languages of the Olympiad are Turkmen, Russian and English.

**The Olympiad will be held in the form of individual competitions.**

Winners of the Olympiad are determined by the jury based on the points scored.

The Olympiad is open to all interested students from any higher education institution, regardless of their specialty or year of study. Registration of information about students wishing to take part in the International Internet Olympiad will be conducted on the institute's website at [https://tdbgi.edu.tm/En-project/Olimp\\_en.html](https://tdbgi.edu.tm/En-project/Olimp_en.html) until March 15, 2025.

Additional information and announcements related to the Olympiad will be posted in a special section of the institute website.

The requirements for Olympiad (Appendix 1).
