A handwritten signature in blue ink, reading "Nikhil Seth".

Nikhil Seth

UN ASSISTANT SECRETARY-GENERAL
EXECUTIVE DIRECTOR, UNITAR

FOOD WASTE PREVENTION

DATE OF ISSUANCE: 09/03/23

DURATION: 5 hours

LEARNING OBJECTIVES:

After completing the course, the learner is able to:

- Explain how much food is wasted every year and the impact it has on people, the environment, and the economy
- Define the role you and other stakeholders play in food waste prevention
- Identify ways to measure and account for food waste at various stages of the food chain
- Describe effective measures to prevent food waste throughout the food chain
- Outline measures to minimize food waste wherever prevention is not possible

MODULES :

1. The State of Play
2. Food Waste in Manufacturing
3. Food Waste in Retail
4. Food Waste in Service Industries
5. Food Waste in Households

DURATION: 5 hours

The course has been developed with the support of the Swedish Environmental Protection Agency.
